

**SHORT CALLS & MONTHLY CONFIRMATION ON THE
OUT-OF-WORK BOOK**

There seems to be some confusion with the membership on monthly confirmation when working on a short call. Any time you have not worked beyond the provisions of a short call, you must confirm your registration each month or you will be removed from the list. Example: If you sign the books in April, take a call in May and don't confirm in May and then come back the beginning of June from the short call, you will find you are no longer on the book. Your name would have been removed from the out-of-work list on June 1st for failure to confirm your registration in May.
