

**INTERNATIONAL BROTHERHOOD
OF ELECTRICAL WORKERS**

LOCAL 112

September 27, 2022

Dear Brother or Sister,

On behalf of the membership of IBEW Local 112, I would like to extend an invitation to you and a guest to attend a New Member Orientation. The New Member Orientation will be Monday, October 10th at 6:30 pm at our union hall and will include dinner. This New Member Orientation will give you the opportunity to become better acquainted with your Local Union by allowing time for questions or get clarification about anything you may have heard at the jobsite.

Following the dinner, we will have a presentation covering topics ranging from member benefits to what it means to be a member of the IBEW. Topics covered will include LU-112's Retirement Benefits, Health & Welfare plan, Disability and Death benefits and more! At Local 112, our goal is to have an active membership. That starts with educating our members about what we are and what we stand for. As a member, you have a voice in how the Local Union conducts its business by voting for officers, contracts, making motions at monthly meetings or by voicing your opinion to motions that have been made.

There will also be representatives from the various committees present at the dinner. Currently, we have four committees: The Renew Committee which is geared towards building an active membership. They have organized several activities within the Local, including a tent at the local boat races and opportunities to become more involved within our communities.

The Women's Committee is geared toward women's issues on the job as more and more women start seeking out careers in the construction industry.

The Political Action Committee focuses on political issues affecting organized labor on a local level. They provide information to help members make informed decisions on issues and candidates who are good for labor.

We also have a Safety Committee that deals with safety issues within the industry, and how we can relate them to projects in our jurisdiction. The goal is for everyone on the jobsite to return home in the same condition that they showed up to work.

If you can attend this dinner, please R.S.V.P. by emailing Rylan Grimes at rylang@ibew112.com or call/text him at (509) 619-4547.

Fraternally,
